

Home Learning Homework Guidance for Parents/Carers

From 30th March weekly homework tasks will be set by subject teachers to supplement the home learning plans. All students will receive feedback from the submitted homework. The homework timetable attached gives detail of what subject will be setting homework each week. You child should normally have 5/6 pieces to work on.

Homework will be set every Monday and will be due every Thursday.

This work will then be marked on Friday and feedback provided by the following Monday.

As with normal homework we will set some for the holidays, however this will be the only work that will be set during this time.
